# Assignment #3a   PROG3a.BAS

Input and Output Statements

Modify Assignment #2 to prompt the user for the purchase price, down payment, APR, and the number of years to finance for.

Your program should be user friendly and the output should resemble the following:

```
DOSBox 0.74, Cpu speed:    3000 cycles, Frameskip 0, Program:  QBASIC

Enter the purchase price: 250000
Enter the down payment: 8000
Enter the APR: 4.525
Enter the number of years to finance: 30
Your monthly payment is: $1,229.78

Press any key to continue
